RE: Architect/Designer Approved List

Dear Dave,

Thank you for your submittal for the Approved Architect/Designer List. Based on your interview, home tour and submittal we are happy to include you on our approved list for North Heights and FireRock Ridge.

Your designs have demonstrated a "desert sensitivity" that we would like to prevail in our new neighborhoods. You have shown a clear understanding and appreciation of the guidelines that are now in place in these areas. Your notebook will be on display at MCO Realty where prospective clients will have a chance to view your designs. Whenever you have an additional design that you feel would enhance your notebook, please bring them to Carol Capriotti and she will update your files.

We look forward to working with you and seeing your designs become a reality in our new neighborhoods.

Sincerely,

Robert Tone
Executive Director
